FEATURES

Universal foldable colander Easy to clean Space-saving design
Space-saving design: Its folding basket and extendable handles will allow you to save space without sacrificing its great capacity to drain food. You can store it in different spaces in your kitchen and adjust it to your sink when using it.
Convenient over-the-sink coland: Its extendable handles adapt to sinks with bowls of up to 60cm, giving you stable support while you strain and move your food around, without the risk of burns or hindering your day to day
Multipurpose colander: Easy to use and versatile. Use it over the kitchen sink to rinse vegetables and fruits, drain pasta, thaw foods or use it as a dish drainer to air dry utensils, cups and small plates.
