Temperature and humidity regulation in drawers: FRESH BOX

RLF 74925

ENERGY LABEL

The energy label for the TEKA RLF 74925 SS refrigerator is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия · енергія" below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this header, the TEKA logo is on the left and the model number "RLF 74925 SS" is on the right. The central part of the label features a vertical scale of energy efficiency classes from A+++ (top, green) to D (bottom, red). A black arrow points to the A++ class. Below the scale, the energy consumption is shown as "322 kWh/annum" in a white box. To the left of this box, the word "ENERGIA" is written in multiple languages: ENERGIJA, ENERGIJA, ENERGIJA, ENERGIJA, ENERGIJA, ENERGIJA. At the bottom, there are three icons: a water tap labeled "1L" with "334 L" below it; a snowflake with a thermometer and "156 L" below it; and a speaker with "45 dB" below it. The number "2010/1060" is printed at the very bottom left.
