ENERGY LABEL

The energy label for the TEKA NFB 320 EI refrigerator is a rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия - енергия" in smaller text below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this, the TEKA logo and the model number "NFB 320 EI" are displayed. The central part of the label features a vertical scale of energy efficiency classes from A+++ (top, green) to D (bottom, red). A black arrow points to the A+ class. Below the scale, the text "ENERGIA - ЕНЕРГИЯ", "ENERGEIA - ENERGIJA", and "ENERGY - ENERGIE - ENERGI" is listed. To the right of this text, a white box contains the number "333" and "kWh/annum". At the bottom, three icons are shown: a refrigerator icon with "197 L", a snowflake icon with "90 L" and a "No Frost" symbol, and a speaker icon with "43 dB". The number "2010/1060" is printed at the very bottom left.
