To its right, the word "ENERG" is written in large blue letters, with "енергия" (energy) and "енергія" (energy) in smaller text below it. Further right are four small circles containing the letters "Y", "UA", "IE", and "IA". Below this header, the TEKA logo is on the left and the model number "HLB 8400 P" is on the right. The central part of the label features a vertical scale of seven colored arrows pointing to the right, representing energy efficiency classes: A+++ (dark green), A++ (green), A+ (light green), A (yellow), B (orange), C (red-orange), and D (red). A black arrow points to the A+ class. To the left of this scale is a small icon of a washing machine with a power cord.
