HLC 840

ENERGY LABEL

The energy label for the TEKA HLC 840 is a vertical rectangular sticker. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия" (energy) and "енергетика" (energy technology) in smaller text below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this header is the TEKA logo and the model number "HLC 840". The main part of the label features a scale of energy efficiency classes from A+++ (top, green) to D (bottom, red). A black arrow points to the A+ class. Below the scale are two boxes: the first shows a washing machine icon and "44 L"; the second shows a dryer icon and "0.59 kWh/cycle*". To the right of these boxes are two more boxes: the first shows a washing machine icon and "0.72 kWh/cycle*"; the second shows a dryer icon and "0.59 kWh/cycle*". At the bottom, there is a line of small text in multiple languages: "* ušeka: cyklus - portion; ryklus - porcijska; odelo: tsiskal - shjelma; ciklus - ciklus; odelo - odelo; ciklus - cikel; odelo - program; cikel". The date "65/2014" is printed at the very bottom.
