ENERGY LABEL

The energy label for the TEKA HLB 8400 is a vertical rectangular sticker. At the top left is the European Union flag. To its right is the word "ENERG" in large letters, with "енергия" (Russian) and "ενεργεια" (Greek) below it. Further right are four small circles containing the letters "Y", "UA", "IE", and "IA". Below the flag and text is the TEKA logo and the model number "HLB 8400". The main part of the label features a scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the A+ class. Below the scale are two boxes: the first shows a laptop icon and "70 L"; the second shows a washing machine icon and "0.68 kWh/cycle*". To the right of the scale is another box with a washing machine icon and "0.81 kWh/cycle*". At the bottom, there is a line of small text in multiple languages: "* unesat - cyclus - portion - zykus - nrolypouara - ciclo - tsükkel - ohjelma - ciklus - ciklas - cikls - ciklu - cyclus - cykl - ciklu - program - cykel". The date "65/2014" is printed at the very bottom.
