

# Product EU Energy Efficiency Sheet

Supplier's name or trademark: TEKA

Model identifier: CNL 6415 PLUS

General product parameters:

| PARAMETER                                                                       | VALUE       | PARAMETER                                                                         | VALUE |
|---------------------------------------------------------------------------------|-------------|-----------------------------------------------------------------------------------|-------|
| Annual Energy Consumption (kWh)                                                 | 30,3        | Energy efficiency class                                                           | A     |
| Fluid Dynamic Efficiency                                                        | 26,73846154 | Fluid Dynamic Efficiency Class                                                    | B     |
| Lighting Efficiency (W)                                                         | 43,3        | Lighting Efficiency Class                                                         | A     |
| Grease Filtering Efficiency (%)                                                 | 84,01       | Grease Filtering Efficiency Class                                                 | C     |
| Air flow, min speed normal use (m3/h)                                           | 141         | Air flow, max speed normal use (m3/h)                                             | 293   |
| Air flow, intensive or boost use (m3/h)                                         | 385         | Airborne acoustical A weighted sound power emissions, min speed normal use (dB)   | 51,6  |
| Airborne acoustical A weighted sound power emissions, max speed normal use (dB) | 63,9        | Airborne acoustical A weighted sound power emissions, intensive or boost use (dB) | 69    |
| Power consumption in off mode (W)                                               | N/A         | Power consumption in standby mode (W)                                             | -     |
