NFL 320

ENERGY LABEL

The energy label for the TEKA NFL 320 C INOX refrigerator is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия-енерџија" below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this header is the TEKA logo and the model number "NFL 320 C INOX". The main part of the label features a scale of energy efficiency classes from A+++ (green) to D (red), with a black arrow pointing to the A+ class. Below the scale, the energy consumption is listed as "286 kWh/annum" in a white box. At the bottom, there are three icons: a water tap labeled "219L", a snowflake labeled "76L", and a speaker labeled "40 dB". The bottom left corner contains the number "2010/1060".
