TFI3 130 D

ENERGY LABEL

The energy label for the TEKA TFI3 130 D is a rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия · ενέργεια" below it. Further right are two circular icons: one with "Y IIA" and another with "IE IA". Below this header, the TEKA logo is on the left and the model number "TFI3 130 D" is on the right. The central part of the label features a vertical scale of seven energy efficiency classes, each represented by a colored arrow pointing to the right: A+++ (dark green), A++ (medium green), A+ (light green), A (yellow-green), B (yellow), C (orange), and D (red). A black arrow points from the right towards the A++ class. Below the scale, the text "ENERGIA · ΕΝΕΡΓΙΑ", "ENERGIA · ENERGIA", and "ENERGY · ENERGIE · ENERGI" is listed. To the right of this text, the number "138" is displayed in a white box, with "kWh/annum" written below it. At the bottom of the label, there are three icons in separate boxes: a water tap icon labeled "92 L", a snowflake icon labeled "15 L", and a speaker icon labeled "39 dB". The bottom left corner of the label contains the number "2010/1066".
