RLF 74920 WT SS

ENERGY LABEL

The energy label for the TEKA RLF 74920 SS refrigerator is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия · енергija" below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this header, the TEKA logo is on the left and the model number "RLF 74920 SS" is on the right. The central part of the label features a vertical energy scale with five colored bars: A+++ (dark green), A++ (medium green), A+ (light green), A (yellow), B (orange), C (red-orange), and D (red). A black arrow points to the A++ level. Below the scale, the energy consumption is shown as "322 kWh/annum" in a white box, with "ENERGIA · ЕНЕРГИЯ" and other translations above it. At the bottom, there are three icons: a water tap labeled "334 L", a snowflake labeled "156 L", and a speaker labeled "45 dB". The number "2010/1060" is printed at the very bottom.
