FEATURES

Free standing dryer
Vented dryer
8 programs
Drying capacity: 7 Kg
Electronic control panel
Easy ironing / Anti-crease program
Delicate clothing program clothing program
Bi- direction rotation
Removable filter with light indicator
Automatic ventilation program
Energy class: C

DIMENSIONS

Product height (mm): 850

Product width (mm): 595

Product depth (mm): 540

Product length (mm):

Net weight (Kg): 31

TECH SPECS

PRODUCT SHEET

Type of load: Front

Type of installation: Free standing

Drying capacity (Kgs): 7

Energy Efficiency Class: C

Certificates: CE, VDE

POWER SUPPLY

Frequency (Hz): 50

Power rate (V): 230

Maximum Nominal Power (W): 2200

Nominal power motor (W): 230

Power of heating element (W): 2000

PARTICULAR CHARACTERISTICS

Number of programs: 8

Control panel: LED

Bidirectional rotation: Yes

Reversible door: Yes

CONTROL INDICATOR LIGHTS

SPECIAL FUNCTIONS

EQUIPMENT

Dryer timer: Yes

Easy ironing/anti crease: Yes

Adjustable feet front: Yes

TKS1 600

ENERGY LABEL

The energy label for the TEKA TKS1 600 washing machine is a vertical rectangular sticker. At the top left is the European Union flag. To its right is the word "ENERG" in large blue letters, with "енергия · ενεργεια" in smaller text below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this header is the TEKA logo and the model number "TKS1 600". The central part of the label features a color-coded energy efficiency scale from A+++ (green) to D (red). A black arrow points to the "C" rating. Below the scale, the energy consumption is listed as "514 kWh/annum" in a white box. Underneath, there are three icons: a washing machine, a clock, and a shirt with a "kg" label. Below these icons are the values "130 min/cycle*", "7,0 kg", and "66 dB". At the bottom, there is a small line of text in multiple languages: "*umna - cyklus pariton - zyklus - palyppausa ciclo - tsükkel - ohjelma ciklus ciklas cikls - ciclo - cyclus - cykl - ciclu - program - torkongång" and the number "392/2012".
