

# Product EU Energy Efficiency Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2017 with regard to energy labelling of household dishwashers

**Supplier's name or trademark:** TEKA

**Supplier's address:** C/ Cajo,17, 39011, Santander, Spain

**Model identifier:** DFS 74850 SS

**General product parameters:**

| PARAMETER                                                                                                                                                    | VALUE | PARAMETER                                                                                                                                                                | VALUE  |      |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|------|
| Rated capacity <sup>(a)</sup> (ps)                                                                                                                           | 10    | Overall dimensions (mm)                                                                                                                                                  | Height | 84,5 |
|                                                                                                                                                              |       |                                                                                                                                                                          | Width  | 44,8 |
|                                                                                                                                                              |       |                                                                                                                                                                          | Depth  | 60   |
| EEI                                                                                                                                                          | -     | Energy efficiency class                                                                                                                                                  | D      |      |
| Cleaning performance index <sup>(a)</sup>                                                                                                                    | 1,13  | Drying performance index <sup>(a)</sup>                                                                                                                                  | 1,07   |      |
| Energy consumption in kWh [per cycle], based on the Eco programme using cold water fill. Actual energy consumption will depend on how the appliance is used. | 0,674 | Water consumption in litres [per cycle], based on the Eco programme. Actual water consumption will depend on how the appliance is used and on the hardness of the water. | 8      |      |
| Programme duration <sup>(a)</sup> (h:min)                                                                                                                    | 3.18  | Type.                                                                                                                                                                    | -      |      |
| Airborne acoustical noise emissions <sup>(a)</sup> (dB <sup>(a)</sup> re 1 pW)                                                                               | 44    | Airborne acoustical noise emission class <sup>(a)</sup>                                                                                                                  | B      |      |
| Off mode (W) (if applicable)                                                                                                                                 | 0,49  | Standby mode (W) (if applicable)                                                                                                                                         | /      |      |
| Delay start (W) (if applicable)                                                                                                                              | 1     | Networked standby (W) (if applicable)                                                                                                                                    | No     |      |

**Minimum duration of the guarantee offered by the supplier (months):** 24
