TKS1 710 C

ENERGY LABEL

The energy label for the TEKA TKS1 710 C washing machine is a rectangular sticker with a blue border. It features the European Union flag and the word 'ENERGIA' in multiple languages (English, Greek, Russian, and Ukrainian). The TEKA logo and model number 'TKS1 710 C' are at the top. A vertical energy scale on the left shows classes from A+++ (green) to D (red), with a black arrow pointing to class B. To the right of the scale, a dimension of 26mm is indicated. Below the scale, the annual energy consumption is listed as 504 kWh/annum. Three icons represent spin speed (128 min/cycle), load capacity (7,0 kg), and noise level (69 dB). A small icon at the bottom left shows a water tap with 'ABCDEF' below it. A note at the bottom right explains the noise level measurement in different contexts. The number '392/2012' is printed at the bottom left corner.
