ENERGY LABEL

The energy label for the TEKA TKS 890 H washing machine is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERGY" is written in large blue letters, with "енергия - енерґія" below it. Further right are two circular icons: one with "Y IJA" and another with "IE IIA". Below this is the TEKA logo and the model number "TKS 890 H".

The central part of the label features a vertical scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the A++ class. To the right of this scale, the text "ENERGIA · ЕНЕРґІЯ · ΕΝΕΡΓΕΙΑ" is written in a smaller font, followed by "ENERGIJA · ENERGY · ENERGIE" and "ENERGI".

Below the scale, there are three icons in a row: a washing machine, a clock, and a t-shirt. Under the washing machine icon is the number "198" and "min/cycle*". Under the clock icon is "8,0" and "kg". Under the t-shirt icon is "69" and "dB". To the right of these icons is a large box containing the number "236" and "kWh/annum".

At the bottom left, there is a small icon of a water tap with the letters "ABCDEF" below it. At the bottom right, there is a small asterisk followed by the text: "*цикло - cyklus - partion - syklos, програма - ciclo - tsukkel, olgema - ciklus - ciklas - cikls, cikla - cyclus - cykl - ciclu, program - torkomping".

At the very bottom left, the number "392/2012" is printed.
