ENERGY LABEL

The energy label for the TEKA TKS 890 H washing machine is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERGY" is written in large blue letters, with "енергия - енергія" below it. Further right are two circular icons: one with "Y IJA" and another with "IE IIA". Below this is the TEKA logo and the model number "TKS 890 H". The central part of the label features a scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the A++ class. To the right of the scale, the energy consumption is listed as "236 kWh/annum". Below this, there are three icons: a washing machine with a clock, a t-shirt, and a speaker. Under the first icon is "198 min/cycle\*", under the second is "8,0 kg", and under the third is "69 dB". At the bottom left is a water tap icon with "ABCDEFG" below it. At the bottom right is a small text block with asterisks and multiple language translations for "program - torkomping". The number "392/2012" is printed at the very bottom left.
