ENERGY LABEL

The energy label for the TEKA HLC 8400 is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия" (energy) and "енергiя" (energy) below it. Further right are four small circles containing the letters Y, UA, IE, and IA. Below this header, the TEKA logo is on the left and the model number "HLC 8400" is on the right. A central graphic shows a vertical scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the A+ class. Below the scale, there are two boxes: the left one shows a laptop icon and "44L", and the right one shows a washing machine icon and "0.72 kWh/cycle*" above another washing machine icon and "0.59 kWh/cycle*". At the bottom, there is a line of small text in multiple languages and the date "65/2014".
