ENERGY LABEL

The energy label for the TEKA HLB 8400 is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия" (Russian) and "ενεργεια" (Greek) below it. Further right are four small circles containing the letters "Y", "UA", "IE", and "IA". Below the flag and text is the TEKA logo and the model number "HLB 8400". The central part of the label features a vertical scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the A+ class. To the left of this scale is a small icon of a laptop with a power cord. Below the scale are two boxes: the first contains a laptop icon and "70 L"; the second contains a washing machine icon and "0.68 kWh/cycle\*". To the right of the second box is another washing machine icon and "0.81 kWh/cycle\*". At the bottom, there is a line of small text in multiple languages: "\* unesat - cyclus - portion - zykus - nrolypouara - ciclo - tsükkel - ohjelma - ciklus - ciklus - ciklu - cyclus - cykl - ciklu - program - cykel". The date "65/2014" is printed at the very bottom.
