ENERGY LABEL

The energy label for the TEKA RBF 78720 GBK refrigerator is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right is the word "ENERG" in large blue letters, with "ENERGIA - ENERGIJA" in smaller letters below it. Further right are four circular icons containing the letters Y, UA, IE, and IA. Below the EU flag is the TEKA logo. To the right of the logo is the model number "RBF 78720 GBK".

The central part of the label features a vertical scale of energy efficiency classes from A+++ (top, green) to D (bottom, red). A black arrow points to the A++ class. To the right of this scale is a black box with "A++" written in white.

Below the scale, the text "ENERGIA - ENERGIJA", "ENERGIA - ENERGIJA", and "ENERGIA - ENERGIJA" is repeated in three lines. To the right of this text is a large white box containing the number "321" and the unit "kWh/annum" below it.

At the bottom of the label are three icons in separate boxes: a refrigerator icon with "333 L", a snowflake icon with "128 L", and a speaker icon with "43 dB".

At the very bottom left, the number "2010/1066" is printed.
