ENERGY LABEL

The energy label for the TEKA RLF 74910 WH refrigerator is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right is the word "ENERG" in large blue letters, with "енергия · енерґія" in smaller text below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this header is the TEKA logo and the model number "RLF 74910 WH". The central part of the label features a color-coded scale from A+++ (dark green) to D (dark red). A black arrow points to the A+ level. Below the scale, the energy consumption is listed as "405 kWh/annum" in a white box. At the bottom, three icons represent volume (335 L), cooling capacity (175 L), and noise level (43 dB). The label number "2010/1060" is printed at the very bottom.
