ENERGY LABEL

The energy label for the TEKA HLB 840 model is a vertical rectangular sticker. At the top left is the European Union flag. To its right is the word "ENERG" in large letters, with "енергия" and "енергид" in smaller text below it. Further right are two circular icons: one with "Y" and "UA" and another with "IE" and "IA". Below this header is the TEKA logo and the model number "HLB 840". The main part of the label features a scale of energy efficiency classes from A+++ (dark green) at the top to D (red) at the bottom. A black arrow points to the A+ class. Below the scale are two boxes: the first shows a washing machine icon and "70 L"; the second shows a dryer icon and "0.68 kWh/cycle*". To the right of these boxes, another box shows a washing machine icon and "0.81 kWh/cycle*". At the bottom, there is a small line of text in multiple languages and the number "65/2014".
