ENERGY LABEL

The energy label for the TEKA HLB 850 is a rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия - енергетика" in smaller text below it. Further right are two circular icons: one with "Y" and "UA" and another with "IE" and "IA". Below this header, the TEKA logo is on the left and the model number "HLB 850" is on the right. A central graphic shows a vertical bar with seven energy efficiency levels: A+++ (dark green), A++ (green), A+ (light green), A (yellow), B (orange), C (red-orange), and D (red). A black arrow points to the A+ level. Below the bar, there are two boxes: the left one shows a washing machine icon and "70 L", and the right one shows a cycle icon and "0.68 kWh/cycle*". Above the right box is another cycle icon and "0.87 kWh/cycle*". At the bottom, there is a small line of text in multiple languages and the date "65/2014".
