ENERGY LABEL

The image shows an energy label for a TEKA HLC 8400 machine. At the top, it features the European Union flag, the word "ENERG" in large letters, and "енергия · ενεργεια" below it. To the right of "ENERG" are four small circles containing the letters Y, UA, IE, and IA. Below this, the TEKA logo and the model number "HLC 8400" are displayed. The main part of the label is a vertical bar with energy efficiency classes A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange), C (red-orange), and D (red). A black arrow points to the A+ class. Below the bar, there are two boxes: the first shows a washing machine icon with "44L" below it, and the second shows a washing machine icon with "0.72 kWh/cycle*" above it and "0.59 kWh/cycle*" below it. At the bottom, there is a small footnote in multiple languages and the date "65/2014".
