ENERGY LABEL

The energy label for the TEKA HLB 8600 is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия" (energy) and "енергiя" (energy) in smaller text below it. Further right are four circular icons: "Y U/A", "IE IA", and two others. Below this, the TEKA logo is on the left and the model number "HLB 8600" is on the right. A central graphic shows a vertical scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the A+ class. To the left of the scale is a small icon of a washing machine. Below the scale, there are two boxes: the first shows a washing machine icon and "70L"; the second shows a washing machine icon and "0.83 kWh/cycle*". Below these boxes, there is a small text line in multiple languages and the date "65/2014".
