HBB 435

ENERGY LABEL

The image shows a standard EU energy label for a TEKA HBB 435 washing machine. At the top, it features the EU flag and the 'ENERG' logo with 'energija - evropski' and 'E' and 'A' icons. Below this, the TEKA logo and model number 'HBB 435' are displayed. A central energy efficiency scale ranges from A+++ (dark green) to D (red), with a black arrow pointing to the 'A' rating. To the left of the scale is a small icon of the washing machine. Below the scale, two boxes provide technical specifications: one for '72 l' (volume) and another for '0.81 kWh/cycle\*' (energy consumption). A second box shows a fan icon and a dash '- kWh/cycle\*'. At the bottom, there is a small disclaimer in Slovenian: '\*američni - ciklus pranja; evropski - program; ostalo - hladnja; ostalo - ciklus; ostalo - ciklus; ostalo - program; ostalo' and the date '5/2014'.
