# HSB 630 N

## ENERGY LABEL

The energy label for the TEKA HSB 630 N is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия" (energy) in Cyrillic and "енергетика" (energy technology) in Ukrainian below it. Further right are two circular icons: one with "Y UA" and another with "IE IA". Below this header, the TEKA logo is on the left and the model number "HSB 630" is on the right. A small icon of a washing machine is shown with a power cord. The central part of the label features a vertical energy efficiency scale with seven horizontal bars of increasing length, labeled from top to bottom: A+++ (dark green), A++ (green), A+ (light green), A (yellow), B (orange), C (red-orange), and D (red). A black arrow points to the A+ level. Below the scale, there are two boxes. The first box contains an icon of a washing machine and the text "70 L". The second box contains an icon of a washing machine and the text "0.86 kWh/cycle\*". Below these boxes, there is a smaller box with an icon of a washing machine and the text "0.68 kWh/cycle\*". At the very bottom, there is a line of small text in multiple languages: "\* kWh/cycle: portion: cycle; kilowattuur: ciclo: tsükkel: ohjelm: ciklus; cikla: cikla: cikla: ciklus: cykl: cikla: program: cykel" and the date "65/2014".
