ENERGY LABEL

The energy label for the TEKA HSB 630 P W dishwasher is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERGY" is written in large blue letters, with "енергия" in Cyrillic below it. Further right are two circular icons: one with "Y" and "A" and another with "IE" and "IA". Below this, the TEKA logo is on the left and the model number "HSB 630 P" is on the right. The main part of the label features a vertical energy scale with seven horizontal bars of increasing length, colored from green at the top to red at the bottom, labeled A+++, A++, A+, A, B, C, and D. A black arrow points to the A+ level. Below the scale are two boxes: the left one shows a dishwasher icon and "70 L", and the right one shows a cycle icon and "0.68 kWh/cycle*". At the bottom, there is a small line of text in multiple languages and the date "65/2014".
