ENERGY EFFICIENCY

Energy Efficiency Class: A
Energy Efficiency Index (EEI): 95

SteakMaster

ENERGY LABEL

The image shows a standard EU energy label for a TEKA STEAKMASTER dishwasher. At the top left is the European Union flag. To its right, the word 'ENERG' is written in large letters, with 'енергия' and 'енергiя' below it. Further right are four small circles containing the letters 'Y', 'U', 'A', 'I', 'E', 'I', 'A'. Below this is the TEKA logo and the model name 'STEAKMASTER'. The central part of the label features a vertical scale of energy efficiency classes from A+++ (top, green) to D (bottom, red). A black arrow points to the 'A' class. To the left of the scale is an icon of a dishwasher with a power cord. Below the scale are two boxes: the first contains a dishwasher icon and the text '63L'; the second contains a cycle icon and the text '1.01 kWh/cycle*'. Below these boxes is a smaller cycle icon and the text '0.77 kWh/cycle*'. At the bottom, there is a line of small text in multiple languages and the date '65/2014'.
