ENERGY LABEL

The energy label features the European Union flag and the word "ENERGY" with a lightning bolt icon. A QR code is located in the top right corner. Below this, the brand name "TEKA" and model "DSI 44700 SS" are printed. The energy efficiency scale is shown as a vertical bar with seven levels: A (green), B (light green), C (yellow-green), D (yellow), E (orange), F (red-orange), and G (red). A black arrow points to level E. Below the scale, the energy consumption is listed as "70 kWh / 100". Four icons represent additional features: a plate icon for "9 x", a water tap icon for "9,0 L", a clock icon for "3:55", and a speaker icon for "47 dB" with a class rating of "ABCD". A small vertical number "2019/2017" is on the right side.
