ENERGY LABEL

The energy label features the European Union flag and the word "ENERGY" with a lightning bolt icon. A QR code is located in the top right corner. Below this, the brand name "TEKA" and model number "DSI 44700 SS" are printed. The energy efficiency scale consists of seven horizontal bars labeled A through G, with bar E highlighted in black and containing a white arrow pointing left. Below the scale, the energy consumption is listed as "70 kWh / 100". Four icons represent specific features: a stack of plates with "9 x", a water tap with "9,0 L", a clock with "3:55", and a speaker with "47 dB" and "ABCD". A vertical date stamp "2019/03/17" is on the right side.
