

# Product EU Energy Efficiency Sheet

Supplier's name or trademark: TEKA

Model identifier: DVI 98-G1 EOS BM

General product parameters:

| PARAMETER                                                                       | VALUE | PARAMETER                                                                         | VALUE |
|---------------------------------------------------------------------------------|-------|-----------------------------------------------------------------------------------|-------|
| Annual Energy Consumption (kWh)                                                 | 102,7 | Energy efficiency class                                                           | -     |
| Fluid Dynamic Efficiency                                                        | 14,5  | Fluid Dynamic Efficiency Class                                                    | D     |
| Lighting Efficiency (W)                                                         | 35,0  | Lighting Efficiency Class                                                         | A     |
| Grease Filtering Efficiency (%)                                                 | 75,62 | Grease Filtering Efficiency Class                                                 | C     |
| Air flow, min speed normal use (m3/h)                                           | 196   | Air flow, max speed normal use (m3/h)                                             | 376   |
| Air flow, intensive or boost use (m3/h)                                         | 525   | Airborne acoustical A weighted sound power emissions, min speed normal use (dB)   | 45,6  |
| Airborne acoustical A weighted sound power emissions, max speed normal use (dB) | 56,3  | Airborne acoustical A weighted sound power emissions, intensive or boost use (dB) | 69,1  |
| Power consumption in off mode (W)                                               | 0     | Power consumption in standby mode (W)                                             | -     |
