ENERGY LABEL

The energy label for the TEKA HSB 610 dishwasher is a vertical rectangular sticker. At the top left is the European Union flag. To its right is the word "ENERG" in large blue letters, with "енергия - енергия" in smaller text below it. Further right are two circular icons: one with "Y IIA" and another with "IE IA". Below this header is the TEKA logo and the model number "HSB 610". A central graphic shows a vertical scale of energy efficiency classes from A+++ (top, green) to D (bottom, red). A black arrow points to the "A" class. To the left of the scale is a small icon of a dishwasher with a power cord. Below the scale are two boxes: the left one shows a dishwasher icon and "70 L", and the right one shows a cycle icon and "0.82 kWh/cycle\*". At the bottom, there is a small line of text in Cyrillic and the number "65/2014".
