Reinforced grid: 1

HLB 840 P

ENERGY LABEL

The energy label for the TEKA HLB 840 P dishwasher is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right is the word "ENERG" in large blue letters, with "енергия - энергия" below it. Further right are four circular icons: a 'Y' in a circle, 'IE' in a circle, 'IIA' in a circle, and 'IA' in a circle. Below this is the TEKA logo and the model number "HLB 840 P". The central part of the label features a vertical scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the A+ class. To the left of the scale is a small icon of a dishwasher with a power cord. Below the scale are two boxes: the first shows a dishwasher icon and "70 L"; the second shows a cycle icon and "0.68 kWh/cycle*". To the right of these boxes is another cycle icon and "0.88 kWh/cycle*". At the bottom, there is a line of small text in multiple languages and the date "65/2014".
