TKS 890 H

ENERGY LABEL

The energy label for the TEKA TKS 890 H washing machine is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERGY" is written in large blue letters, with "енергия - енерґія" below it. Further right are two circular icons: one with "Y IJA" and another with "IE IIA". Below this is the TEKA logo and the model number "TKS 890 H".

The central part of the label features a vertical scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the A++ class. To the right of this scale, the text "ENERGIA · ЕНЕРґІЯ · ΕΝΕΡΓΕΙΑ" is written above "ENERGIJA · ENERGY · ENERGIE" above "ENERGI".

Below the scale, three icons represent different metrics: a washing machine cycle icon with "198 min/cycle\*", a t-shirt icon with "8,0 kg", and a speaker icon with "69 dB". To the right of these icons, the number "236 kWh/annum" is displayed in a white box with a blue border.

At the bottom left, there is a small icon of a washing machine with water droplets and the text "ABCDEFG". At the bottom right, there is a small asterisk and a list of program names in multiple languages: "\*цикл - cyklus - partien - yıkilus - програма - ciclo - tsükkel - ойырма - ciklus - ciklus - cikls - cikla - cyclus - cykl - ciclu - program - torkompjng".

The bottom left corner of the label contains the number "392/2012".
