NFL 320

ENERGY LABEL

The energy label for the TEKA NFL 320 C INOX refrigerator is a vertical rectangular sticker with a blue border. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия-енергия" below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this header is the TEKA logo and the model number "NFL 320 C INOX". The central part of the label features a scale of seven energy efficiency classes, represented by horizontal bars of increasing length from top to bottom: A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange), C (red-orange), and D (red). A black arrow points to the A+ class. Below the scale, the text "ENERGIA-ENERGIJA ENERGIJA-ENERGIJA ENERGIJA-ENERGIJA ENERGIJA" is repeated in four lines. To the right of this text, the number "286" is displayed in a large font, with "kWh/annum" written below it. At the bottom of the label, there are three icons in rounded square boxes: a water tap icon with "1L" and "219L" below it; a snowflake icon with "76L" below it; and a speaker icon with "40 dB" below it. The number "2010/1060" is printed at the very bottom left corner.
