# Space-efficient solutions for the day to day

All the functions of a regular oven or microwave, in a space-saving solution.

Choose from a wide variety of high capacity compact products that match the rest of your appliances, and bring the best solutions for your kitchen and your lifestyle.

## Steam ovens

The highest nutrients and flavour preservation, and the lowest fat, through simple steps cooking with our steam ovens. Healthy recipes every time.

## Combi Steam ovens

Our Combi Steamer ovens combine the best of two appliances. Healthy steam cooked dishes with all the flavour, vitamins and minerals, or any traditional recipe with a multifunction oven. Everything you may need in just one appliance.

## Microwaves

Quickly cook, defrost and heat up any meal or ingredient, without giving up on the flavour, and with all the convenience of a high capacity microwave.

## Combi Ovens + Microwaves

Combine the high capacity of a multifunction oven with the convenience of a fast microwave, in just one appliance.

# Delicious coffee, now faster and **more flavouring than ever**

Share unique moments around a cup of exquisite espresso or cappuccino. Our automatic coffee machine adds an exclusive touch of personality and refinement, while amplifying the aromas and flavours of your favourite blends. Choose among built-in capsule coffee machines or with coffee grinder. Because great conversations start with delicious coffee.

# Keeping it fresh for days to come

Time goes by, but not necessarily for your food.

Keep all the nutrients and freshness of food, making it last longer, and saving storage space in your refrigerator and freezer. Have it all through one appliance as discreet as a drawer.

# A distinguished way to serve your delicious meals

Turn every meal into comfort food, keeping not only the heat, but also the texture and aroma you wanted when you conceived the recipe. Make the whole cooking and eating experience perfect by making sure that the plating is the best possible as well.
