

# Product EU Energy Efficiency Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

**Supplier's name or trademark:** TEKA

**Supplier's address:** C/ Cajo,17, 39011, Santander, Spain

**Model identifier:** NFL 345 C E-INOX EU

**Type of refrigerating appliance:**

|                        |   |                               |               |
|------------------------|---|-------------------------------|---------------|
| Low-noise appliance    | 0 | Design type                   | Free standing |
| Wine storage appliance | 0 | Other refrigerating appliance | 1             |

**General product parameters:**

| PARAMETER                                                                            | VALUE  |      | PARAMETER                                                                            | VALUE |
|--------------------------------------------------------------------------------------|--------|------|--------------------------------------------------------------------------------------|-------|
| Overall dimensions (mm)                                                              | Height | 1880 | Total volume (dm <sup>3</sup> or l)                                                  | 310   |
|                                                                                      | Width  | 595  |                                                                                      |       |
|                                                                                      | Depth  | 630  |                                                                                      |       |
| EEL                                                                                  | 100    |      | Energy efficiency class                                                              | A++   |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                  | 42     |      | Airborne acoustical noise emission class                                             | D     |
| Annual energy consumption (kWh/a)                                                    | 235    |      | Climate class:                                                                       | N/ST  |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable. | 16     |      | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable. | 38    |
| Winter setting                                                                       | 0      |      | Number of standard wine bottles.                                                     | NA    |

**Compartment parameters:**

| Compartment type | Volume (l) | Recommended temperature setting for optimised food storage (°C) | Freezing capacity(kg/24h) | Defrosting type (auto defrost=A,manual defrost=M) |
|------------------|------------|-----------------------------------------------------------------|---------------------------|---------------------------------------------------|
| FRESH FOOD       | 224,4      | 4                                                               | NA                        | A                                                 |
| 4 STARS          | 85,6       | -18                                                             | 3,89                      | A                                                 |
| NA               | NA         | NA                                                              | NA                        | NA                                                |

**Light source parameters:**

|                |     |                                      |   |
|----------------|-----|--------------------------------------|---|
| Type of light: | LED | Light source energy efficiency class | E |
|----------------|-----|--------------------------------------|---|

**Minimum duration of the guarantee offered by the supplier (months):** 24
